### Testimonials:

*To Whom It May Concern: As the owner of TotalCare Clinic in South Fort Worth, I invited Mrs. Glover to speak for our team of 20 employees for one hour. She did so well, so we invited her to speak at GLOW, a new outreach we began to reach our community. In both occasions, Mrs. Glover showed amazing ability to engage the audience and teach sound biblically based material. I would highly recommend Mrs. Rochelle Glover to any organization that is aiming to reach others in financial Education.*
